## JUDAH MINISTRIES - FAMILY ENRICHMENT CENTER

**Title:** Postgraduate Fellowship - Youth Programs Specialist and Events Manager

**Organization:** Judah Ministries Family Enrichment Center

**Location:** North Carolina

**Duration:** April 15, 2024 - April 15, 2025

**About the Organization:** Judah Ministries is a nondenominational ministry that has been called by God to develop and build the character of man through the teachings of our Lord and Savior Jesus Christ. Judah Ministries strongly believes that learning the Rhema word of God and applying it to one's life is the beginning of the process of rebuilding families and broken communities, as well as closing the barriers that have bridged gaps between the races. We believe this can only be done through the Agape Love of God. We as saints must learn to love men beyond the flesh...by loving the soul enough to give Jesus, by our actions, attitudes and walking in the likeness of him.

Judah Ministries' youth department stresses the importance of "training a child in the way they should go" as key in developing the minds of God's future leaders. The music ministries' mission is to tear down the walls of Satan through true praise and worship so that deliverance may come forth, and the people of God may be set free from bondage. Even more, teaching others to praise the Lord with gladness because prayer and praise are weapons of choice for mighty warriors!

One of the focuses of the ministry is to develop programs and facilitate them in an outreach ministry. This evangelistic ministry will help prepare and direct those (under the guidance of the Holy Spirit) to reach their God given potential and destinies. These talents and gifts will be nurtured and developed by skilled instructors who are being guided by the Holy Spirit. This will help each individual to meet life's daily challenges with positive spiritual insight. Every person is a potential oil well waiting to be released.

The love of God simply states that we are to love one another. We are called to bring unity to the body of Christ, interracially and interdenominationally.

We are to be one in Christ Jesus. AMEN.

This ministry Fellow will gain practical ministry experience, biblical and theological education, and a proven philosophy of ministry that is applicable in whatever church they may go on to serve in the future.

### **Key Responsibilities:**

- Aid the ministry outreach team in planning and implementing youth events.
- Spearhead and create curriculum for small group subject material.
- Serve under the pastoral heads for the purposes of discipleship and training in ministry.
- Assist with outreach, resource management, and fellowship continuity to our sister Church, Judah Ministries - Philippines.
- Monitor and update Judah Ministries Facebook social media platform.
- Consult on worship service tracklist and order of service itinerary.
- Spearhead and assist with event set up and break down on a rotational basis.
- Provide willingness to teach Bible Study and Sunday School lessons.
- Create shareable memos for the leadership team as needed for event updates and changes.
- Be present at organizational, coordination, and prayer meetings as necessary.
- Track church and community pledges, baptisms, and other related ministerial organization numbers for coalition partners.

### **Qualifications:**

- The postgraduate fellow should express sincere desire to follow the Living God and support the key mission statement of this ministry by developing and building the character of man through the teachings of Jesus Christ.
- This job requires an undergraduate degree in Religious Studies, Ministry, Divinity, Project Management, History, or a related field.
- As the only managerial fellowship position, within this ministry, this candidate is required to have at least 5 years experience in a leadership/manager role.
- Strong attention to detail and accuracy in abilities to discern personal based understandings.
